

Open4Business

MATCHMAKING EVENT PÉCS, HUNGARY

INVITATION

Open4Business International Brokerage Event and Conference

Pécs, Hungary 3-4 October, 2019

The Chamber of Commerce and Industry of Pécs-Baranya in collaboration with the Enterprise Europe Network will organize this matchmaking event for the 4th time on the 3-4th October 2019.

The Plenary session and section meetings, as well as pre-arranged b2b bilateral negotiations, will assure the successful partnering of **over 200 entrepreneurs and clusters from 18 countries**. The joint "networking" events will help to build international partnerships as well for enterprises and clusters from the engineering, supplier (automotive, plastic and electronics), environmental, creative and ICT industry.

We are also expecting diplomatic partners, twin city leaders and business ventures, clusters from many countries among the participants.

In 2019 the programs include; **Irish-Hungarian Business Day** organised in cooperation with Enterprise Ireland and the Irish-Hungarian Business Circle; the annual **Connect-IT - ICT Cluster** conference, the **Industry & Clusters & Cooperation** section with clusters from over 10 countries and **DesignPécs Week** with conferences, workshops, fashion shows and showcasing the work of the region's designers.

This year: 2019 registration is open at <https://open4business-2019.b2match.io/>

This year's conference and B2B will focus mainly on ICT sector, international project-, and cluster co-operations, creative industries, women entrepreneurs and machine industry.

The Chamber of Commerce and Industry of Pécs-Baranya is taking this initiative, since in our region more and more companies are emerging, getting capital investment and entering the international market.

Open4Business

MATCHMAKING EVENT PÉCS, HUNGARY

This event provides not only necessary and valuable information for these companies but perfect opportunities to build their network, to get to know domestic and international actors as a first step to enter the international market, gain visibility, strengthen their position and increase their competitiveness.
